1 Lichfield Gardens Aldwick

Thank you for your internet representation made on 16th September 2011 which has been recorded as **support** with the comments as follows:

I realise I am a day late in commenting on this application, but have only just realised that Aldwick Parish Council have decided to object, and whilst the Agent is out of the country, feel I must add my concerns. □

If the Council had visited the site, they would have realised that the lower branches of the Scots pine in question hang low over most of the rear garden of 5 Westminster Drive and lifting the crown to 9 metres would bring it in line with other trees in the road that have had far more taken off. During high winds, the lower branches of this tree make contact with the house and are therefore dangerous. □

I feel that this is not an unreasonable request and would urge you to make a decision in favour of this application

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and may publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no
