Zac hi,

Yes I know what you mean - but sadly it is impossible to specify for each branch how much should be taken off according to how much overhang and decay the tree surgeon finds – unless of course I am present supervising – which is not going to happen!?

On this occasion we are going to have to trust to the tree surgeons best judgement!!

Cheers,  
Bernie

Hi Bernie,

Wondering if you could help with this.

Kind regards,

Zac
