Dear Householder

During a recent inspection, we saw that the vegetation on your property in Grange Court overhanging over the pavement.

This is unsafe, particularly for children and those with visual or mobility issues. It is your responsibility to prevent this from reducing the width of the pavement.

Please cut the vegetation back to your boundary within 14 days of the date of this letter. The vegetation is a low hanging hedge which requires cutting to a minimum height of 2.1m above the footway.

If you do not cut the vegetation back, the Council is able to carry out the work and recover the cost from you.

Yours faithfully

Simon Neville
Senior Highway Steward
West Sussex County Council
