Dear Zoe

Thank you for your email. Yes I can confirm we want the application withdrawn. I assume I do not have anything else other than confirm this to you.

Thanks and regards

Dear Mr Harrison,

I hope you are well.

I have now received comments from our tree officer which you can find above.

It has been made clear from the comments that you can withdraw this application and proceed with the proposed work without permission from the council.

Please can you email me back to confirm your withdrawal.

Many thanks
