Dear Mr and Mrs Edwards,

I write regarding the comment in your application covering letter about ownership of the trees and your request that Arun DC fund the proposed works. I indicated on site yesterday that I thought the work should be funded by yourself and the neighbour to the rear (9). I have consulted with a senior colleague today and he agrees with that stance. If you are unable to obtain 9's agreement to the works then unfortunately, you would need to fund the works yourself (or not proceed with the proposed works). Arun DC are not responsible as the land is not owned by us.

Kind Regards
