Dear Mr Stout,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: T - 01 - Common Lime
Height 54ft (18m)

Application : 12ft (4m) Crown reduction. Thinning of crossing and rubbing of branches.

The client had the tree reduced approximately 5 years ago. You can see where this was done. The proposal is to take the tree back down to where it was reduced before.

Neighbours are complaining of overhanging branches into their property. Clients are complaining of loss of light in the garden. It has a slight lean towards the clients property. Reducing the tree will give them more light and reduce the weight off the overall tree.

I have attached photos for you to see the tree and drawn a sketch for your reference. Work would be completed when the tree is dormant to optimise recovery for the tree.

Location: 7 Barrack Lane Aldwick PO21 4BY
