Hi Finlay,

If you mean that it can be withdrawn from your system as it has been approved for the works to go ahead, then yes that's fine thank you.

The tree is being removed at the end of this month.

Regards,
Christine Donnelly.

Subject: Application AW/197/19/T

Dear Mrs Donnelly,

I am writing to you with regard to the above application (AW/197/19/T). The tree officers has been in touch with me and has stated:

'I visited this location yesterday to inspect the Leyland cypress tree, subject of this application.

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only Bognor No2 (Area Order) could apply.

I am reasonably confident that this tree would not have been established at the time that Order was made (1958). Furthermore, I do not believe this tree is of sufficient public amenity value to justify the making of an individual Order to preserve its place in the landscape. Therefore, I conclude our consent to carry out the proposed work is not required.

My recommendation is that the applicant be advised to proceed without further recourse to this Authority.'

Following on from his comments can you send me a reply saying that you would like to withdraw your application so I can put it through the system.
