Fiona,

The store is currently permitted (by AW/211/14/PL) to open between 6am & 11pm and deliveries are currently allowed between 6am and 9.30pm. The change to these timings is to allow 1 delivery of newspapers per day in a transit van to an on-site holding box from 5am onwards. The Delivery Management Scheme also states that there will be no deliveries after 9pm and this will be half an hour earlier than as allowed by AW/211/14/PL.

We will be imposing this condition *"The timing of deliveries to the store shall be in accordance with the Delivery Management Scheme dated 10/09/20. There shall be no deviation from this Schedule other than with the written approval of the Local Planning Authority."* This therefore effectively supersedes the original permission.

Dear Simon,

With regard to deliveries the application form states 21.30 and the Delivery Management Schedule states 21.00. Please could the applicant confirm which is correct?

Regards

Fiona
