Hi Simon,

Thanks for the quick reply. Yes I agree an extension of time until 19 November.

I will provide a response to the letters which are not really objections but particular points. I note the CAAC do not object. I will also submit a full schedule of materials to avoid a condition. Of course you will have to agree any other pre-commencement with me.

The legal agreement is all OK I believe so should all be pretty straight forward.

Regards

Dawn

Hi Dawn,

My numbers have come right down recently to about 45-50. However, there are still 34 applications ahead of yours in the queue. I would suggest that a decision would likely be made in November. Would it possible to agree an extension until say the 19th November please.

I am likely to recommend approval based on the planning history. However, please be advised that there are a couple of objections and it would be useful if you could provide a comment in response to these.

Kind Regards

Morning Simon,

Sorry to bother you but we are due a decision on this one at the end of next week (12th). I go away on 11th so would be really grateful for an update and a likely recommendation and timescale for decision. I know you are really busy!

Thanks

Dawn
