Dear Simon,

Apologies for the late reply

The hard surfacing will be formed with Marshalls Drivesett Light Argent Piora Permeable Block Paving

The boarding will be Marley Cedral Click, in light grey.

As the Conservation officer has no other concerns, I don't really feel it necessary to respond to specific points from the objections. The only matter I will comment on is to acknowledge that the garage will only accommodate one car and the driveway will park two. It is considered that three spaces is sufficient for this size of dwelling.

I hope this answers your queries but please let me know if you need more information.

Regards

Dawn
