

Tree at 54 Westminster Drive, Aldwick PO21 3RE

To whom it may concern,

The tree(Black Poplar) at the above address is being applied for removal for the following reasons:

1. The trees extensive & invasive root system has expanded considerably and is producing suckers in neighbouring gardens and the applicants own garden, the roots have progressed that far round the back of the applicants home which is causing concern due to the fact the tree is situated close to house and is worrying about foundations subsidence ,etc.
