Cllr Bennett,

We will not now be making a decision today given the significant nature of the tree I think it better to await the recommendation of the tree officer rather than make a decision in the timescales. I have let Neil know.

Cllr Bennett,

This is a staff application and therefore we need to refer it to you.

We need a decision by the end of today due to timescales but do not yet have the tree officer comments. If these do not arrive by 12:00 we will recommend approval. Will you have time to look at it this afternoon?
