Subject: Planning Application - AW/201/14/HH

TO: Janice Chapman ADC Planning

FROM. N A Chambers, 1 Wychwood Walk, Aldwick, Bognor Regis PO21 4DP

This is an objection by the Directors of Craigweil Private Estate Limited to the above Planning Application .

The application for the development at 53 Kingsway has a potential for 8 bedrooms and therefore a potential for at least 4/5 cars requiring parking. There is only sufficient space to park 2 cars on the property: one in the garage and one on the drive. Consequently, the remaining cars will, of necessity, be parked on the road.

Craigweil Private Estate Limited owns the road and verges on Kingsway and implement the NO PARKING covenant which is in force on all the Estate roads.

Cars parked on the road, as a result of this development, would not only cause an obstruction but be in breach of the NO PARKING restriction.

Consequently the Directors of the Company request that you REFUSE this application.

On behalf of the Directors
Norman Chambers – Secretary, Craigweil Private Estate Limited
