Attention zac Denton

In reply to your letter dated 12th July 2017 the reduction to the crowns is 4 metres.

mr Mark Warwick of the Highways Department has looked at the trees and says they are a danger to the general public who use the pedestrian pathway.

PLease discuss the matter with him as all I seem to get is a negative response from your department even though I have sent in depth warnings regarding the public footpath. This is an accident waiting to happen like GRenfell tower.
