5. What Are You Applying For? *I think so, not I have*

Are you seeking consent for works to tree(s) ☒ Yes ☐ No
subject to a TPO?

Are you wishing to carry out works to tree(s) ☐ Yes ☒ No?
in a conservation area?

not sure it's a conservation area

6. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number below.

*could be TPO / AW / 174 / 10
or TPO / AW / 175 / 10
or not subject to a TPO at all*

7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (13) - felled because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

*species: sycamore work - fell ~~it~~ a hawthorn was planted next to
it a year ago to provide suitable wild life habitat when tree was
removed. I am sure this would shoot up & provide even more berries etc
once the sycamore has gone.
Tree shades/decreases efficiency of solar panels. No one will buy this house
with tree root (possible or actual) invasion & I will need to fund my old
age with money from my home.*

7. Identification Of Tree(s) And Description Of Works continued ...

if replacing the sycamore which is threatening my home with the Hawthorn bush does not satisfy A.D.C. I am pleased to plant something somewhere else.

8. Trees - Additional Information

Additional information may be attached to electronic communications or provided separately in paper format.

For all trees

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer.

For works to trees covered by a TPO

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)

If YES, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert.

☐ Yes

☒ No

2. Alleged damage to property - e.g. subsidence or damage to drains or drives.

If YES, you are required to provide for:

Subsidence

If they are being provided separately from this form, please detail how they are being submitted.

please see photos included.

9. Authority Employee / Member

It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "relating to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the local planning authority.

Do any of the following statements apply to you and/or agent? ☐ Yes

☒ No

With respect to the authority, I am:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

If Yes, please provide details of their name, role and how you are related to them.

Please use the guidance and this checklist to make sure that this form has been completed correctly and that all relevant information is submitted.
