Dear Sir/Madam,

Re: Dead prunus tree in a Craigweil House Conservation Area – Application for permission to Fell

I am writing to make an application to fell a small Prunus (purple plum) tree located in the front garden of the above property. This tree is dead. It has been inspected by a tree surgeon who will carry out the work once permission is granted. It is my intention to plant a suitable tree/shrub in its place.

Yours faithfully,

Yvonne Green (Mrs)
