I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only Bognor No2 (Area Order) could apply.

I am confident that neither tree would have been established at the time that Order was made (1958). Furthermore, I do not believe either tree is of sufficient public amenity value to justify the making of an individual Order to preserve its place in the landscape and/or control its management. Therefore, I conclude our consent to carry out the proposed work is not required.

My recommendation is that the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.
