Dear Mr Mosley,

I hope you are well.

I have now received comments from our tree officer for the above application at 23 Gossamer Lane.

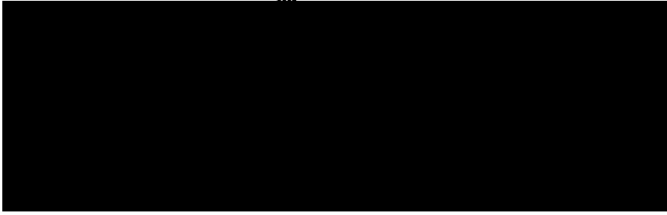

It has been made clear that the tree you wish to work on was not present when the TPO was made, and as a result are not affected by it. Therefore, the recommendation is that this application can be withdrawn and works to the tree can commence without authority from the council.

Please can you confirm your withdrawal of this application.

Many thanks

Zoe Toppin
