Dear Ross,

Please find attached revised proposed plans and elevations drawings, which include the provision of a balcony privacy screen to the East Elevation, and consequently altered access steps to the lower balcony, in line with our discussion on the telephone this afternoon. We feel that this adequately mitigates any obtrusive overlooking from our clients property into the neighbouring No.9 Waters Edge to the East of Wide Horizon, and we hope this goes some way to alleviate Mr & Mrs Leech's concerns to the proposal raised in their representation to the council.

Kind regards,

David Fuller
