Subject: Planning Application AW/208/17/HH

Ref. **AW/208/17/HH**

Dear Sir / Madam

I wish to object to the planning application AW/208/17/HH as it does not match any of the houses around it on this **open garden estate** and would look ridiculous sticking out the front and taking up most of the existing front garden and would set a very bad president indeed.

So I ask the planning committee to reject this application

Yours faithfully

Mr. R Collins

Chairman

West Meads Residents Association
