Dear Sirs

Re: Planning Application AW/208/17HH

On behalf of the many members of the above association, I wish to strongly object to the proposed building of an extension in the FRONT garden of 31 Queens Field West, West Meads, Aldwick, Bognor Regis.

The reasons are as follows:

1. It is directly in view of, just a few yards from, our Village Green, which is a social area that our community has fought very hard to secure and protect.
2. It is completely out of character with the other properties on the estate.
3. It is unneighbourly, completely blocking the view of the other properties, also blocking their light and sun.
4. It will take up almost all of the front garden on this Garden Estate and could form a precedent for others. It will also almost touch the footpath.
5. There is plenty of room at the back and side of the property for such an extension.

We ask you to please refuse the application on these grounds.

Yours faithfully

CAROL WISEMAN
