Dear Sarah,

I have circled the part on the block plan which doesn't match. On your proposed floor plan there appears to be no building below the proposal but on the block plan its showing the building carrying on.

I hope this makes more sense

Sian

Dear Sian

Thank you for your email

I have attached a copy of the email receipt for the planning application paid via the planning portal.

Please could you explain further why and how the Shape of extension: The shape and position of the property does not match between the block plan and all other floor plans.

As per the invalid letter attached.

Kind regards

Dear Mrs Wright

There appears to be an issue with several of the planning applications received last week regarding there invalid letters not being automatically generated and sent out. Please find attached the letter regarding your application. If you have already received this then please send the amended information directly back to me at

However if you have not then my apologies.

Please let me know if there is anything I can assist you with

Kind Regards

Sian Eggington
