Dear Samantha

Thanks you for this.

I will inform members at tonight's Planning Committee Meeting.

Kind regards

Kind regards,

Dear Mary

I have an email from the applicant, which will be uploaded onto our website shortly, that confirms the brick piers are no longer required. Therefore the application will be assessed on the basis that it is for the porch only.

Please feel free to contact me if you have any further queries.

Yours sincerely

Samantha

Dear Samantha

Here is another objection from one of our Planning Committee Members:

'Two pillars sitting redundant mars the open plan nature of the estate and in conflict with D DMR 4e as well as Design Statement'

Dear Samantha

Here is a comment from one of our councilors regarding the above altered application. It applies if the piers are still on the applications.

Yes, the gates have been removed but the 2m tall gate piers remain on the revised plan. Why? (In order to install gates at a future date perhaps?). Notwithstanding why, the building of 2m tall piers would, in my view, be in conflict with the open plan estate policy. Therefore, as the committee said previously, I think the piers would be in conflict with Policy D DMR 4e of the Arun District Local Plan 2011-2031 and in conflict with the adopted Aldwick Parish Council Design Statement pages 55&56.

I have no objection to the porch alterations but I do have an objection to the piers. If the piers are removed from the plan I would have no objection.

Perhaps you could check that in fact, the piers have been removed from the amended plan and let me know.

Kind regards

Mary Halpin
