Dear Sirs

Re 12 Pinehurst Park Rose Green Aldwick
Planning Application Number AW/211/18/HH (Town & Planning Act 1990)

We are writing to you regarding the above application number, to express our concerns about this proposed extension.

We have recently just moved in to this house which is our first home together, and soon will be welcoming our first child into our home.

Our first concern is how far the extension will protrude to the front of the house; we do not wish to lose any natural light into our living room which is at the front of our house, which will be beside the proposed extension.

We also wish to ask if the extension is approved what will the hours and days that the builders will work, as mentioned we are expecting a baby and would appreciate disruption kept to a minimal.

We would like if possible for a building control officer to meet with us on site so we can discuss further and see actual measurements for this proposed extension.

The best contact number for me (Scott) is [REDACTED]

We look forward in hearing from you at your earliest convenience.

Kind regards

[REDACTED]
Mr Scott Murfin
