Re:- AW/213/14/PL

I strongly object to this Planning Application.

I visited the site and consider this application to be a gross overdevelopment of this site and definitely not in keeping with the rest of this close.

I believe I am correct when I say, the government stopped 'Garden Grabbing'.. That is what this application is all about.

Please do not allow AW/213/14/PL to proceed. There are several areas on West Meads in a similar position, if this is passed, it will set a precedent and ruin the 'Garden Estate' it was originally designed to be.
