Ms.Chapman,

I don't wish to withdraw the larger tree from the application and I would like you to take a decision on it, although I appreciate what that decision will be. On the suggestion of Mr. Brewster I intend to get an expert report on it and then submit an application for crown reduction. Mr Brewster was to let me have a list of those that your authority use. I've not yet received it, so I'd be grateful if you could let him know I look forward to getting it.

Many thanks.

Dear Mr Johnson,

Mr Brewster has informed me that you will be re-submitting an application for the larger tree that was to be felled as part of the application. If you withdraw the larger tree from the application then I can recommend the smaller tree for approval.
