Subject: Morrisons signage in beautiful Aldwick

Dear Planning Committee,

Ref: AW/215/14/A

I am writing to oppose the signage that is being proposed for the new Morrisons store in Aldwick (formerly the Ship site). These obtrusive and ugly signs would not be in keeping with our beautiful village, and at the very least would be intrusive at night time.

Please could you carefully consider his application and the negative effect it would have on surrounding area?

Yours sincerely,

Mrs Carole Druce,

PO21 3RJ
