The Ship, Aldwick v Morrisons

I strongly object to the proposal that Morrisons take over The Ship in Aldwick – Planning permission AW/211/14/PL for the following reasons:

- The loss of an historic pub
- The loss of a valued, local amenity
- The real prospect of a traffic safety hazard and congestion
- The noise nuisance
- The increased hooliganism

I also strongly object under Planning permission AW/215/14/A for the following reasons:

The ugly nature of the Morrisons signage, being out of place in the village and the illumination would be intrusive at night.

My name is Maralyn Regruto, of 9 Stirling Way, Aldwick.
