Dear Sir

I am writing to object to the plans that are in place for Morrison's to take over the premises that have been, for over 100 years now, the site of our community Pub The Ship Inn in Aldwick Street.

The ugly signage and bright illumination that will come from the new Morrisons shop will be an unwelcome addition to this established and quiet residential area and as an elderly resident of 87 years old I am very worried about the kind of people that may buy alcohol late at night and sit in The Pound to drink it - which is just opposite my house. Please don't let this happen.

Your sincerely
