I strongly object Morrison's plans to build a mini supermarket on the site of The ship Inn pub in Aldwick village for the following reasons :

Traffic safety hazard, congestion on an already busy Aldwick Street .

customers will be able to carry out alcohol into a free alcohol zone area

No pavement on the ship inn side , Morrison has no plans to ensure customer safety .

Too many other mini supermarkets near by , within a mile of each other , creating a massive overload of supermarkets popping up .

The loss of a historic pub in an area already designated by the council as of special character .

The ugliness of Morrison's signage and building will truly spoil Aldwick peaceful village if this plan go ahead .
