ALDWICK

BOGNOR REGIS

PO21 3RP

DEAR Sir/Madam:

The Ship is in a
small village NOT in a city ~~centro~~
NO NO, to a illumination sign, what
are you thinking of?

30th August 2014

Dear Sir,

Ref: ^(The Sign)
AW/215/14/9

I object to the above application for an illuminated sign to be erected on either the side facing Oldwick Street and/or the proposed entrance side, for the following reasons:-

1. At the proposed entrance side of the building it would be a distraction for drivers coming from the east just after a bend in the road.
 2. Facing the road, the sign would be intrusive for the people living close by and also drivers being distracted.
- Yours faithfully

Dear Sir,

Reference Morrison's plans as stated
in the above appeal, to which I object strongly.

This seems quite out of place in
Aldwick village and I think unnecessary.
It is excessive and would be a very
unpleasant eyesore. I imagine local
residents would be affected by it.

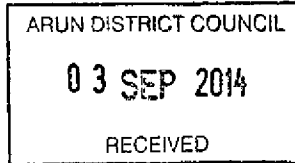

Yours faithfully,

Dear Sirs,

Planning AW/215/14/A

Having watched with dismay, the boarding up of the Ship Inn in Aldwick Street, I wish to protest against any Morrisons signs on the outside of the building. It is a sad day when one of the big monopolies can ignore the wishes of the local people.

Yours sincerely,

30 Silverston Avenue,
Aldwick,
Bognor Regis.

31st August 2014

Dear Sirs,

Re: Planning AW/215/14/A

I urge the Council to oppose any deterioration in the character of Aldwick Street and the village of Aldwick by the Morrison's plan to alter the Ship Inn into a retail store. Such a development, the traffic and parking hazards and any advertising illuminations will fundamentally spoil the area.

I hope the Council will have regard for the residents and existing users of the Street by refusing planning permission against the might of retail speculators.

Yours sincerely,

REF. AW/215/14/A.

Dear Sirs.

As a resident of Aldwick village I am astounded that it may be possible for a supermarket to replace the Ship Inn.

Signage for such places is big, bright, and intrusive, and is intended to dominate the location.

This light pollution would be crass and completely out of place here in Aldwick and I sincerely hope that common sense and consideration for local residents will prevail and the above application will be rejected.

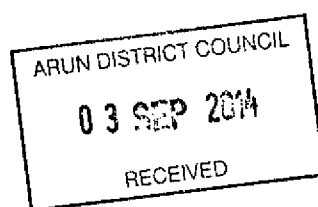

Yours sincerely,

E.V. CONNELL

To; **The Planning Department/Development Control Committee.**

AW/215/14/A

Dear Sirs,

I have been a resident of Aldwick for over 60 years and am appalled by the suggestion that such an attractive feature of the area as The Ship Inn could be converted to an outlet of the Morrison's supermarket.

We neither want nor need this development as there is a perfectly good, privately owned shop, selling grocery, confectionary and stationery items, as well as the sale and delivery of newspapers, directly opposite The Ship. Sadly, this long established business could be eliminated.

Such an intrusion by Morrisons could irreparably damage the whole aspect of the area.

Their signs, extra lighting and traffic noise, possibly late into the night would be very disturbing to nearby residents. Both the peace and the ambience of Aldwick Street and its surroundings would be ruined.

The narrow road has no pavement on the same side as The Ship, so potential customers would be at risk from the fast traffic flow.

The exit from the inadequate car park poses a great hazard, to all drivers due to its proximity to a blind bend in the road.

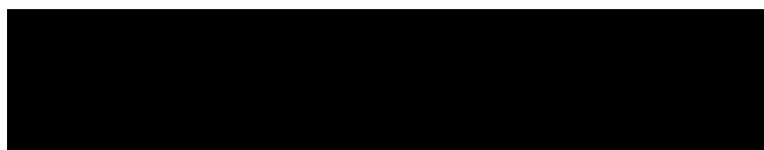

Also unless measures were put in place to restrict road-side parking, drivers would inevitably park beside our treasured Green and cottage frontages.

Anyone with the authority to make the decisions on this proposal who has actually visited the site must have seen its unsuitability for such a development.

Please, do not be swayed by the undoubted might of the supermarket giants.

Please, take note of the values of the local communities you serve.

Please, reject this application and save The Ship for Aldwick.

Dear Sirs

Re: New M Store in Aldwick, Bognor Regis, West Sussex - Signage
AW/215/14/A

I wish to record my very strong opposition to the proposed signage for the above.

The illuminated signs that Morrisons want to put up are hideous and completely out of place in Aldwick Village. Also the illumination would be very intrusive at night and most annoying and disturbing for residents living in Aldwick Street.

Aldwick is a nice, quiet village which is well served by an excellent local store, Tudor News. Also within a mile or so there is a number of other small supermarket outlets: Tesco Express in Aldwick Road in West Bognor; a Co-op in Rose Green (under a mile) and another one in Hawthorn Road. There really is no need for another convenience store in our small village

Dear Sir

Re AW/215/14/A – Objection

I am writing to register my objection to the redevelopment of The Ship Inn by Morrisons into a mini supermarket.

I would like to object to ugly nature of the signs being applied for because that these will be out of place in this quiet residential area and I am concerned that the illumination will be intrusive at night.

As we already have a local newsagent and shop in the area we do not need this new shop and I would rather see the pub kept as pub or restaurant for the benefit of the area.

Yours faithfully

Dear Sirs,

Objection to planning application AW/215/14/A

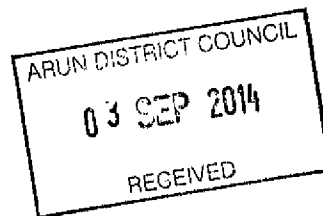

The Parish of Aldwick is a village and has a village atmosphere.
The bright neon signs and probably other illuminations will be so intrusive and so out of place for Aldwick Village. Light pollution will affect those who live nearby.
Noise pollution for 24 hours a day, every day.

Yours faithfully

Dear Sir,

Re:- Application AW/215/14/A

I wish to strongly object to this application primarily on the grounds of **Light Nuisance and Volume & Design of Signage**.

The plans proposed, indicate the potential for a significant increase in the level of artificial lighting compared with the current level of lighting generated from the site. Not only will the level of artificial light be increased but the Colour Scheme of Morrison's Corporate Signage, is totally out of character with other signage in the immediate vicinity.

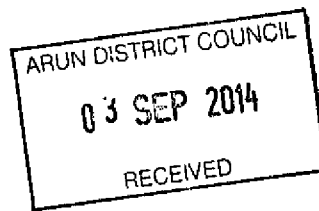

Regarding **The Volume & Design** of the proposed signage, I think **6 signs**, one of which is a significant size, is total overkill for such a relatively small location. The Ship signage was sympathetic to both the style of building and the surrounding area. Morrison's proposals are more suited to a major high street or retail park and are totally unsuitable.

If the store opening times are to be 06:00 till 24:00, 7 days per week, then the Light nuisance will have a significant impact on local neighbours.

Dear Sirs.

Planning Application AW/215/14/A

I write to register my strong objections to the above planning application.

To erect six illuminated 'Morrison' signs to the outside of this historic building in a village setting is beyond comprehension and will be very intrusive to all properties opposite and to the surrounding area.

Yours faithfully,
