I wish to object to the above planning application by Morrisons.

In an area of “special character” as designated by Arun, Morrisons’ proposed signage would be totally out of place and would, I think, be especially intrusive during the hours of darkness.

As a general comment, the proposed store is not needed or desired as Aldwick is already well served by the Co-op etc. It will create an intolerable situation from the point of view of traffic flow and parking.

Please REFUSE the application.
