I am writing to raise my objection to the proposed development of a Morrisons convenience store on the present site of the Ship Inn.

I understand that Morrisons will have an illuminated sign that would be intrusive to the local residents and would stick out like a sore thumb in Aldwick. We do not want this. I was under the impression that Bognor Regis was attempting to improve its image and attract new people to the area to fuel this improvement. A Morrison's in the middle of Aldwick is not the answer!!! As Bognor goes further downmarket, people will continue to move out. There are many For Sale signs around Aldwick.
