Subject: FAO Development Control Committee re objection to Planning Application AW/215/14/A

I wish to formally object to the planned conversion of The Ship Inn in Aldwick into a Morrisons and the associated illuminated signage; AW/215/14/A.

The reasons for my objections are as follows:

- The proposed signage would be very unsightly in an area already designated by the council as of 'special interest' and it would actively cause visual offence
- The illumination of the proposed signage would be very intrusive at night, especially in an area which has multiple residences in very close proximity

Yours faithfully,

Ian Fyfe-Green
