Dear Sirs

I am writing to register my objection to the above planning permission application you are currently considering from Morrison's Supermarket for the erection of illuminated signs on the outside of the Ship Inn in Aldwick.

Notwithstanding that I completely object to the change of use of this building to a licenced supermarket, the ugly nature of the Morrisons signs will completely spoil the village atmosphere of Aldwick and be especially intrusive at night.

I implore you not to grant this application.

Yours faithfully
