MORRISONS BID - THE SHIP INN
AN/215/14/A - OBJECTION

Dear Sirs,

- 1/ The ugly nature of the Morrisons signage and the intrusiveness this will cause at night.
- 2/ The road is quite narrow so how can this bid be at all viable.
- 3/ Repercussions to our small existing businesses. Not fair.

We want to keep our village as it is - peaceful.

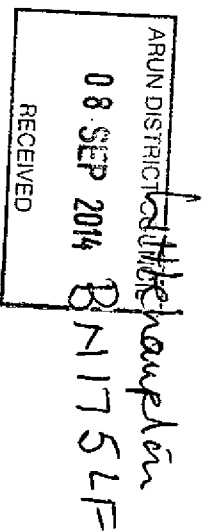

Yours sincerely,

Au/215/14A.

SHIP INN ALDWICK

With reference to AW/215/14A my objections to
Morrison's plans to turn The Ship Inn into a mini-
supermarket are:-

1. There would be increased traffic in the area
which has a village feel about it at present.
2. The extra lighting on the building would be
excessive in a fairly quiet residential area.
3. The Ship Inn should be saved as a local
amenity.

As a Aldwick resident, I feel strongly that the Morrisons signage and lighting will be a complete eyesore and totally out of place in that locality. The lighting would also be intrusive to nearby homes.

I hope this application is rejected, we don't need an intrusive eyesore.

The taking over of the Ship Inn by Morrison's is a complete disaster for the lives of the local people.

We certainly do not want Morrison's signage as it will make Aldwick village look out of place and the illumination would be intrusive at night.

The Ship Inn provided a restaurant with good food for people to go and eat at, young and old alike as well as going to have a drink and had a function room to hire for social occasions. It is a sad loss of a historic pub and a local amenity.

SAY NO TO MORRISONS.

Dear Sir/Madam,

SAVING THE SHIP INN, ALDWICK

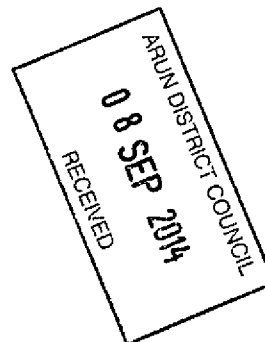

I write to object to the proposed development of a Morrisons convenience store on the site of The Ship Inn, Aldwick. The planning application number is AW215/14/PL. My reasons are listed below:

Morrisons proposed signage for the site is extremely ugly and completely out of place in the setting of Aldwick Village. Six illuminated signs, including one of their notoriously ugly 'bus stop' ones would cause intrusive illumination at night. As a country we are trying to address the problem of light pollution and Arun District Council should be playing its part in this.

Re: AW/215/14/A – The Ship, Aldwick

I write to raise my objections to the proposed illuminated signage that Morrisons wish to fit outside of the Ship Inn on Aldwick Street.

It would prove to be unsightly at the best of times but at night it would prove to be most disturbing to those living in close proximity as no doubt the signage would be bright and therefore the light projected by the signs would intrude into peoples homes, particularly bedrooms when people are trying to sleep.

I trust my objections will be placed on record and taken into consideration when a decision is being made.

I have had problems reaching you by e-mail, so here is a hard copy of my letter.

I wish to object to the above upon the following grounds:

The three internally illuminated signs on the front and west elevations and one externally illuminated fascia sign to the east side elevation and two externally illuminated projecting signs to the front and east side elevations.

This all seems far too much and will be out of place in Aldwick Village and at night it will be a great nuisance to local residents, trying to sleep with this excessive illumination, especially in winter evenings.
