Subject: Planning Application AW/215/14/A

For the attention of the Development Control Committee

I wish to register my objection to the Planning Application AW/215/14/A submitted by Morrisons for the erection of 6 illuminated Morrisons signs on the outside of the building in Aldwick Village which was formerly known as The Ship Inn. This is completely out of keeping to the area. Aldwick has been designated by the council as an Area of Special Character'. These would be the only bright lights in the area. We do not need any more convenience stores in Aldwick especially those with bright lights.
