I am writing to object to the Planning Application under the above reference on the following grounds:

The loss of an historic pub in an area already designated by the Council as of 'special character'.
The loss of a valued, local amenity because there is no other pub within half a mile.
The real prospect of a traffic safety hazard and congestion on Aldwick Street with cars and delivery lorries entering and exiting during opening hours.
The noise, nuisance from the proposed external freezer unit, especially if you live at the back of the Ship Inn.
The increased hooliganism which would result from a late night store selling carry-out alcohol to people from outside the area.
We do not need another 'convenience store' as the area is well catered for.

I am writing to object to the Planning Application under the above reference on the following grounds:

The ugly nature of the Morrisons signage, how out of place it would be in Aldwick village and that the illumination would be intrusive at night.
Such a sign in the very narrow road would be a safety distraction to passing traffic.

I tried, and failed, to send these objections to you by email
