Dear Sir/Madam

I am wring reference my concern over the proposed planning for a new morrisons on the ship inn site in Aldwick. It is such a shame as we already have so many stores locally and it will only attract more traffic and congestion to a lovely area. There is no other pub or restaurant locally for us to walk to and I am concerned about the noise and loss of character to this lovely village. Please think again!

Yours faithfully

M Welland
