Subject: Morrisons at the Ship Inn Aldwick

AW/215/14/A

Sirs, I am against the proposal from Morrisons to have six illuminated signs outside the former Ship Inn in Aldwick. I think it is an unnecessary amount, quite disproportionate for the number needed, which will be an eyesore on a building which is an historically old part of the Aldwick village. I particularly object to a large bus stop sign. Yours faithfully, Mrs J Fricker
