Please ask for:
Mr S Davis

11th September 2014

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

3No. internally illuminated fascia signs to front and west side elevations, 1No. externally illuminated fascia sign to east side elevation and 2No. externally illuminated projecting signs to front and east side elevations.

Ship Inn Aldwick Street Bognor Regis

Thank you for your internet representation made on 11th September 2014 which has been recorded as '**an objection**' with the comments as follows:

I object to the Morrison's Planning Application AW215/14/A

The proposed conversion of the building and signage will have a seriously detrimental impact on the character of the neighbourhood.

Any exterior signs with internal lights will look totally out of place. The light pollution will be intolerable to the residents in the area, there are no places on the existing building that a sign with any kind of light can be placed without causing a problem.

There are no other businesses or premises lit in this way in this area which has a number of historic buildings and already designated by the council as of special interest.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
