9th SEPTEMBER 2014

I object to a Morrisons Store being built
in place of The Ship Inn, Aldwick
AW/211/14 PL. because:

Loss of a historic pub.

Loss of a valued amenity

Traffic safety

Noise

Increased Roadway noise due to
sale of alcohol.

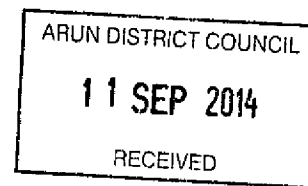

AW/215/14/A

Ugly Morrisons sign.

I write to you in regards to the Ship Inn Bognor Regis, as I am against and object to the Morrison's development plans.

I was most disappointed when I learnt that the Ship Inn was going to be turned into a Morrisons' or any other business come to that and not remain as a Public House. The ship Inn has been a part of Aldwick for 200 years and has a special character and history.

The loss of this pub will be considerable, as myself and my family have visited it on many occasions, especially for Sunday lunch. It is very convenient as we could walk there. Now we have to travel by car/taxi if we want to go out to a "local" pub.

There is also the matter of the traffic increasing during the day and evening as I suspect there will be more vehicles visiting the shop, and also delivery lorries will be driving in the area and pulling up, causing congestion and potential hazardous conditions.

Also there is a main concern is the late night opening hours with people buying alcohol etc and causing a nuisance to local residents and further afield. This is already a concern at the moment with nuisance behaviour, as numerous police notices have been placed around the duck pond and green referring to drinking in public. This, I fear, will only increase the problem. I feel already concerned of this situation as my wife walks our dogs on the green and we have both seen young people drinking in the area.

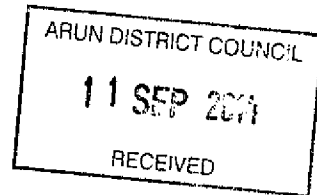

Ref:AW/215/14/A

I would also like to point out that I object to the fact the 6 illuminated Morrisons' signage will be absolutely out of place and hideous on this road, it will not fit in at all. The light pollution will be intolerable to the immediate people living there.

My wife and I both feel that Aldwick does not need another supermarket, there are already enough in the area, we need to keep the Ship Inn as a public house, as too many are closing down.

Yours faithfully

Mr Paul Dunn

Sirs,

Reference AW/215/14/A Planning Application -

I object to the above for the following reason -

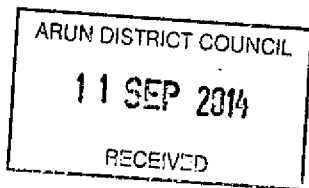

The Signs proposed for the Store will be very intrusive when" lit up" at Night and quite out of place in Aldwick Village.

Yours sincerely

Mrs Juliet Root

Dear Sirs,

9th September 14

Reference AW/211/14/PL and AW/215/14 A
The Ship Inn, Aldwick

I have lived in the neighbourhood of The Ship pub for over 50 years. Our children made their first solo trips to the "sweetshop" to spend a few pennies with Ash Patel opposite, when we lived on the Craigweel Estate behind it.

The Ship has always been the historic centre of Aldwick village with its associated character cottages and houses nearby. Turning it ~~into~~ into a Morrisons store will not only obliterate this historic centre (which incidentally the residents of Pagham put back into Nyetimber with a "characterful bus shelter") BUT also add a traffic safety hazard to what is essentially a modernised country lane, with constant movement of cars/delivery lorries entering and leaving the car park.

I am amazed that Morrison's has already been given entry to this site to check if they preserve any historic artefacts they uncover in the process? ~~What will they do with it?~~ Will they improve it and restore it and have a discrete sign saying Morrisons, formerly a 200 year old inn and leave the old sign for all to see? I doubt it.

(2)

They just want to streamline it, slap on their corporate image and get the tills ringing as soon as possible for as many hours in the day to make maximum profits. I am surprised that no-one has objected to what has been happening so far with this crazy planning application.

And years from now people will be bemoaning the fact that this characterful old pub (which like any pub, given the right management will work ~~£~~ The Walnut Tree in Runcorn is a prime example.) has been lost forever as we do now about so many historic buildings in Bognor.
