Arun District Council

Dear Sirs

Objection to planning application: AW/215/14/A

I understand Morrisons have applied for permission to erect six illuminated signs outside the former Ship Public house, clearly this would be ugly, intrusive and totally out of place on Aldwick street and should be resisted at all costs.

Yours faithfully

Dear Sirs

Objection to planning application: AW/211/14/PL

I note with some dismay that the Ship Inn in Aldwick is to close permanently and that it is to be turned into yet another mini-supermarket.

Do we really need another, especially at the expense of the loss of an historic pub, which I believe is in an area designated by the council as of "special character".

Once this pub goes, we will lose a valued local amenity, with no other pub within half a mile.

Given the continued congestion outside a similar Tesco store on Aldwick Road, how will the already congested area of Aldwick Street be effected by delivery lorries and the additional cars coming and going on what is a blind bend.

A properly run pub can control how much people drink, but surely there will be the an increase in noise, vandalism and hooliganism due to the sale of yet more cheap alcohol late into the night.

Please do not grant this planning permission.

Yours faithfully

MISS Miriam Stephenson
