Objection to Morrisons Planning Application ref AW/215/14/A

Dear Sirs,

I live at 2 Grange Lodge Aldwick Street and am very concerned about the destruction to our village which will happen if Morrisons are allowed to proceed with their planned redevelopment of the Ship Inn

Please note our objection to the erection of grossly inappropriate signage. To propose to erect six signs is unreasonable given the size of the property and the amount of road frontage where such signs could be displayed. The sizes are ridiculous given the nature of the village and light pollution such signage will add.

Please note that no other commercial properties in The Street have neon lights, they have traditional shop frontage. Morrisons should respect this and only be allowed signs which are in keeping with the character of the village.

Please stop this proposed destruction of our village and its character, both the physical building and also the whole aesthetic character will change with added noise, traffic and anti social behaviour.

Yours sincerely

Caroline Gerrie
