Subject: Development Control Committee - re AW/211/14/PL

Dear Sirs

I object to the above application for the following reasons:

The loss of an historic pub in an area already designated by the Council as of 'special character'.

The loss of a valued, local amenity because there is no other pub within half a mile.

The real prospect of a traffic safety hazard and congestion on Aldwick Street with cars and delivery lorries entering and exiting during opening hours.

The increased hooliganism which would result from a late night store selling carry-out alcohol to people from outside the area. Dark Lane has already experienced people coming back from the beach late at night and throwing bottles etc. into the gardens.

It will be detrimental to the convenience store across the road which we all use.

Application AW/215/14/A

I am horrified that a Morrison store should be located in the beautiful and quiet village of Aldwick. We already have very suitable stores all within walking distance and I think this convenience store is totally unnecessary.

The Morrisons logo is totally unsuitable for for a quiet area like Aldwick and we certainly don't want any illuminations.

The whole idea is quite disgusting and I hope the Council will change their minds over the whole matter.
