Subject: Planning application AW/215/14/A

To the Development Control Committee

Dear Sir,

I wish to object to planning application AW/215/14/A on the following grounds:

The proposed Morrisons' signage would be inappropriate and out of place in Aldwick village, which Arun DC has designated as an area of special character.

The large number of illuminated signs proposed are likely to be intrusive at night for local residents.

Yours sincerely

Maureen Wade
