I, like many other people in this
lovely area do not want to see it
spoil by ugly Morrisons signs.
as they will all be illuminated at
darkness, and as for Drivers they have
enough lights to cope with now.

Yours faithfully

Dear Sirs

As a resident of Aldwick Village
I object strongly to the ugly nature
of Morrisons Signage which would
be out of place in Aldwick Village
This would lead to light pollution
I therefore object to the application

Dear Sirs

The Ship Inn, Aldwick:

Planning Application AW/215/14/A

I object strongly to plans for the illumination of the proposed Morrisons store on this site.

Such signs would be ugly and out of keeping with the locality, and would be intrusive at night .

Yours sincerely

I would like to object to the
above planning application

To erect illuminated signs
outside a historic landmark
is outrageous,

The signs would be an eye
sore and not in keeping with
Aldwick village.

Illumination at night would
be very intrusive for residents.

DEAR Sir/Madam.

The Ship is in a
small village NOT in a city ~~centre~~
NO NO, to a illumination sign what
are you thinking of?

Dear Sir,

Ref: THE SIGN (n)
AW/215/14/9

I object to the above application for an illuminated sign to be erected on either the side facing Oldwick Street and/or the proposed entrance side, for the following reasons:-

1. At the proposed entrance side of the building it would be a distraction for drivers coming from the east just after a bend in the road,
2. Facing the road, the sign would be intrusive for the people living close by and also drivers being distracted.

Yours faithfully

Dear Sir/Madam.

Re AW/211/14/PL

The Ship Inn designated as of 'special character' in this area will be a great loss to the local residents, especially as there is no other pub within half a mile. Aldwick Street is a narrow street and a traffic hazard without delivery lorries causing extra problems. The noise from an external freezer would be a constant nuisance for the residents around the pub. The selling of alcohol from 6 AM to midnight would cause many further problems.

Re AW/215/14/A.

The Morrisons signage, especially when illuminated at night would be very intrusive for such a quiet village like Aldwick.

I, along with many others object to Morrisons taking over this historic pub when there have been several businessmen wishing to buy it to make it a thriving commercial success once again.

Yours faithfully,

MRS. G. CHALLIS.

Dear Sir (Madam)

I am again writing to say how sad it is for our Ship Public House to be removed for yet another Morrisons.

* This time the awful ugly signage, it will be so out of place in our beautiful village.

Please kindly think again.

Yours faithfully
