Having lived in Aldwick for 40 years
I strongly oppose the planning permission
for the Morrisons signade for the
historic Ship Pub. It would be completely
out of place in Aldwick village and the
conversion of the Ship Pub into a
supermarket should not be allowed
to go ahead.

Sincerely

Dear Sir,

**Re Planning Application No. AW/215/14/A
Morrisons Stores and The Ship Inn**

I write to object to the above application in that the proposed signage, whilst it may be OK for a town centre store, is totally inappropriate for a small village unit & which will destroy the character of the area if approved. I trust therefore that the proposal is thrown out.

Yours faithfully,

M. Judd

I wish to object to the plans. Motions have got a illuminated sign outside the Ship Inn. It should not be allowed to happen in Aldwick with its village setting.

Dear Sir,

I wish to object against Morrison's plans.

The ugly nature of the Morrisons signage, how out of place it would be in Aldwick village, and that the illumination would be intrusive at night

Dear Sir / Madam

Re: AW/215/14/A

As a Aldwick resident, I feel strongly that the Morrisons signage and lighting will be a complete eyesore and totally out of place in that locality. The lighting would also be intrusive to nearby homes.

I hope this application is rejected, we don't need an intrusive eyesore.

Yours faithfully

Dear Sirs,

Planning AW/215/14/A

Having watched with dismay, the boarding up of the Ship Inn in Aldwick Street, I wish to protest against any Morrison's signs on the outside of the building. It is a sad day when one of the big monopolies can ignore the wishes of the local people.

Yours sincerely,

I would like to register my objection to the above planning application. To have to have illuminated signs would be out of character, especially at night, and all the delivery lorries would be dangerous on that corner.

Yours faithfully
