Dear Sir/Madam,

SAVING THE SHIP INN, ALDWICK

I write to object to the proposed development of a Morrisons convenience store on the site of The Ship Inn, Aldwick. The planning application number is AW215/14/PL. My reasons are listed below:

Morrisons proposed signage for the site is extremely ugly and completely out of place in the setting of Aldwick Village. Six illuminated signs, including one of their notoriously ugly 'bus stop' ones would cause intrusive illumination at night. As a country we are trying to address the problem of light pollution and Arun District Council should be playing its part in this.

Yours faithfully,

Dear Sirs,

Objection to planning application AW/215/14/A

The Parish of Aldwick is a village and has a village atmosphere.
The bright neon signs and probably other illuminations will be so intrusive and so out of place for Aldwick Village. Light pollution will affect those who live nearby.
Noise pollution for 24 hours a day, every day.

Yours faithfully

Dear Sir/madam,

I am writing to you to express my objection to the planning application AW/215/14/A with respect to The Ship Inn and Morrisons.

I object to the thought of great big neon illuminated signs lighting up residents homes and being completely out of character in the quiet village location they will be in.

Yours sincerely

Dear Sir,

Re: AW/215/14/A - Morrisons

I wish to object to the proposed application by Morrisons for signage at The Ship Inn, Aldwick for the following reasons:

1. It is ugly.
2. It is totally out of keeping with the character of the village.
3. It will be intrusive at night.

We do not want Morrisons in Aldwick and we most certainly do not want their garish signs.

Yours truly,

Mrs. J. L. Rochford.

Dear Sir/Madam,

I wish to object to Morrisons obtaining planning permission to erect 6 illuminated Morrisons signs on the outside of the building, including one of their big "bus stop" signs, for the following reasons:

- The Morrisons signage is of a very ugly nature and would be completely out of place in Aldwick village
- The illumination would be intrusive at night (light pollution)

Yours faithfully,

I am totally opposed to this application because of the ugly nature of the Morrisons signage, completely out of place in Aldwick Village, and that the illumination would be intrusive at night.

The taking over of the Ship Inn by Morrison's is a complete disaster for the lives of the local people.

We certainly do not want Morrison's signage as it will make Aldwick village look out of place and the illumination would be intrusive at night.

The Ship Inn provided a restaurant with good food for people to go and eat at, young and old alike as well as going to have a drink and had a function room to hire for social occasions. It is a sad loss of a historic pub and a local amenity.

SAY NO TO MORRISONS.
