I wish to object to the proposed signs to be installed by Morrisons on the site of the Ship Inn, Aldwick. I consider the proposals too much for this quiet residential area and particularly obtrusive at night. The whole development is a tragedy for the local community.

Subject: AW/215/14/A - Planning Application objection

Hello,

Not 100% sure which email address I should use so sending to both to make sure somebody gets this objection.

My name is
Mrs Ruth Breen
3 The Pound
Aldwick
Bognor Regis
Po21 3SR.

I am writing to express my strong objections to the planning applications submitted by Morrisons.

AW/215/14/A

Aldwick is a quiet residential area that the council themselves have designated as of 'special character' – how does a Morrisons fit with the councils thinking on that.

Bright illuminations in an area of 'special character', this is totally out of place within Aldwick village.

They are ugly – not in keeping with the 'green spaces' so prevalent within Aldwick.

Green spaces that many volunteers give many hours to help maintain – totally free for the good of the community and green spaces which will be totally ruined by ugly neon signs lighting up an unwanted and unnecessary mini supermarket.

Increased light pollution – especially for residents within very close proximity

Yours sincerely Ruth Breen.

Regarding signs for the possible change of use from the Ship inn to a mini supermarket are from my experience of seeing other such developments would detract from the pleasant aspect of the Aldwick village and lower the status currently enjoyed by all that live in this location and have an effect on the value of the properties..

If our objections for the change of use are ignored please do not give permission for any ghastly illuminated and tasteless signage.

Yours sincerely

Development Control Committee

Dear Sirs,

My objection is to the planning application by Morrisons to apply signage outside a proposed conversion of 'The Ship' to a convenience store.

Having seen the present signage outside the Morrisons store on the Chichester Road nearby Bognor Hospital. That is a permanent blot on the landscape, and totally blights the immediate vicinity of that area. I shudder to imagine how unsightly something similar would be in Aldwick Street, and totally out of character with the historic village. This must not be allowed to happen.

I strongly object to a 21st century approach to advertising, by destroying the 20th century fabric of the area.

Regards Mark Witts [REDACTED]

Dear Sir/Madam

I am writing to formally object to the above planning application.

The area around this public house has been designated by the council as an area of 'Special Character'. The Ship Inn makes a significant contribution to that character.

The signage proposed for a possible Morrisons store would be unsightly and detract from the pleasant nature of that area of Aldwick. It would also be distracting to road users in an area which has narrow roads and parked cars. In addition to this the illumination would be intrusive at night.

This application should not be allowed to go ahead.

Your faithfully

To: Arun District Council

For the Attention of: The Development Control Committee

Dear Sirs,

I object to the above planning application on the grounds that Morrisons' signage is unsightly and would not be in keeping with the character of Aldwick Village and the illuminated sign would be ugly and intrusive at night.

Yours faithfully

BY EMAIL

Dear Committee,

Re: Planning Application: AW/215/14/A – Objection

I object to the above referred to Planning Application made by or on behalf of Morrisons' Supermarket for The Ship Inn in Aldwick as the intrusive nature of the proposed signage is totally out of place in Aldwick Village and especially so in the evening and at night when the polluting light emanating from the signage would be at its worst.

This Planning Application should be rejected.

Yours faithfully

Ann E Shaw

Dear Sir

With regard to the above Planning Application AW/215/14/A I would like your Planning Department to note that I object to this planning application.

The signage for this development is extremely out of keeping with the area and would distract from what is currently a nice area.

It would also cause unnecessary light pollution at night.

I hope that the Planning Department considers these points carefully before making their decision.

Yours faithfully

Clare Russell
